Course prerequisites: To study this course, a student may have any subject in class 12<sup>th</sup>.

# Suggested equivalent online courses:

There are lots of online certificate and diploma courses available in various universities and institutions.

# Further Suggestions:

After completing B.Com. student has a vast choice in different fields where they can explore their inner talent. Job areas for commerce graduate are in Business Consultancies, Educational Institutes, Industrial Houses, Public Accounting Firms, Policy Planning, Foreign Trade, Banks, Budget Planning, Inventory Control, Merchant Banking, Marketing, Working Capital Management, Treasury and Forex Department, Investment Banking and so many for them explore further.

# Greater employment opportunities

In many career sectors, such as Higher Education, Administration, public affairs, and social services, a master's degree is replacing a bachelor's as the minimum requirement for employment.

Earlier with a bachelor's degree like B.Com. one could secure an entry-level position as an admissions counselor, academic adviser, or student services coordinator. While holding a graduate degree is not a guarantee of ultimate success, it certainly opens many more doors for employment. **Plethora of Specialisation** 

You may get options for specialisation during your bachelor's in Commerce degree. Some of them are Taxation, Marketing, Computers, etc. But, most of the times, there is a general degree i.e., B.Com. that provides knowledge in Commerce and Business. So, if you want to pursue education based on a specific industry or profession the Bachelor of Commerce programme targets a number of specialisations from Finance to Marketing to HR to Logistics and Supply Chain Management.

# **Helps in Overall Personality Development**

Pursuing a bachelor's degree can be one of the most exhilarating experiences, in fact, you have just started your journey in this competitive world and a bachelor's of commerce (B. Com) helps you face the world right after school. But a Master in Business Administration prepares you to suit yourself to the industry's needs. The curriculum is carefully knitted and includes workshops, seminars, projects, etc. that develops your overall personality.

# Vast Career choice

There are so many courses available for B.Com. Students such as M.Com., MBA, CA (Chartered Accountant), CS (Company Secretary), MCA and many of the diploma courses, etc. After completion of Bachelor in Commerce, an individual has the option to pursue higher studies as M-Com (Masters of Commerce) or MBA (Masters in Business Administration), both being postgraduate program focusing in Commerce, Accounting, Economics, and Management related subjects. Not only this Bachelor program also prepares students for CA (Chartered Accountant), CS (Company Secretary) and CMA (Cost and Management Accountant) as an advance career option in this field.

# At the End of the whole syllabus any remarks/ suggestions:

The whole syllabus of Undergraduate Commerce is divided into three parts.

After first year (two semesters) completion the certificate awarded is called C.Com. (Certificate in Commerce), after two year (four semester) completion the diploma awarded is called D.Com. (Diploma in Commerce) and after three year (six semester) completion the bachelor degree of commerce awarded is called B.Com. (Bachelor of Commerce).

**Notes:** (a) 1, 2 & 5 (in blue ink) are the number of courses/papers in that semester of that subject. (b) Credits are given in (in red ink). (c) A student willing to take admission to the first year of Higher Education program after 12<sup>th</sup> class, will have to choose a Faculty with two main (Major) subjects for first year. Eligibility to such choice will have prerequisites. Apart from two major subject(s) he has to choose in each semester one more (Major) subject of any faculty, one minor/elective course of other faculty, one vocational course of his choice and one compulsory co-curricular course.
