S.No.	Name	Designation	Department	College/University
01	Dr. J. A. Siddiqui	Coordinator/Head	Library & Information Science	CCS University, Meerut
02	Dr. Naushad Ali PM	Professor	Library & Information Science	AMU, Aligarh
03	Dr. Shiva Kanaujia	Dy. Librarian	Dr. B. R. Ambedkar Library	Jawaharlal Nehru University, New Delhi
04	Dr. Devendra Kumar	Assistant Professor	College Library	Ramabai Ambedkar Government Degree
04	Dr. Devenura Kumar	(Library Science)	College Library	College, Gajraula, Amroha

Program Outcome

Bachelor's degree in Library and Information Science aims to:

- Train students in modern library administration and prepare them for careers in Academic, Public and Special Libraries.
- Impart education and training for generating budding library professionals in the p[resent scenario of information age.
- Develop manpower for libraries and information centres for effective and efficient services, professional values, dedication and attitude.
- To equip students with competent skills essentially required for carrying out various housekeeping operations of library and Information Centers using ICT.
- To develop LIS students as competent professionals in the field by imparting employability skill based on effective communication, critical thinking, and ethical literacy.
- Enable to become lifelong learners for their personal growth and development.

Programme	/Class: Certificate	Year: Firs	t		Semester: First

This course can be opted by the students of BLISc.

.....

Suggested Continuous Evaluation Methods:

Internal Evaluation 25 Marks : 20 Marks (2 Tests –10 Marks each) 05 Marks (Assignment)

External Evaluation 75 Marks : The paper will be divided into Three Sections A, B and C.

Section A will consist of *Five* Short Answer Type questions not exceeding 75words. The examinee will attempt all questions. Each question carries 2 marks.

Section B will consist of *Three* questions not exceeding 200 words. The examinee will attempt *Two* questions. Each question carries 10 marks.

Section C will consist of *Five* questions in detail. The examinee will attempt *Three* questions. Each question carries 15 marks

Course prerequisites: To study this course, a student must have had the Graduation in any discipline with a minimum of 45% in aggregate.

Suggested equivalent online courses: Courses on Swayam / MOOCS/NPTEL
