Create New Account

➤ University Campus Students

- As a first time user, applicant shall go to **“Create New Account”** to create the user account by clicking on the **“Create New Account”** link.
- Under the **“Create New Account”** page, all fields are mandatory and indicated by a red asterisk (*) adjacent to the name of the field. Applicant shall enter his/her detail as per requirement in the form.
- The existing email-id is to be entered, which will be the henceforth login-id and also will be used for the grievance process.
- Applicant shall then create a password **of minimum six characters**.
- Applicant shall also provide a valid mobile phone number (10 digit number without any prefix, i.e. 0 or +91).
- After entering all the details, Applicant must ensure that all the details entered in the form are correct. Before submitting the details, applicant must confirm that the details entered are correct (by clicking the checkbox). Finally click the “Submit” button to create a new user account.
- Applicants who do not have a valid email-id must create an email-id before creating new account. The applicant must also ensure that the email-id and password is kept handy for all the future correspondence/reference regarding grievance process.
- A confirmation will be sent on your email account after creation of the registration account. In the confirmation mail a link will be provided to activate the account. On clicking the link provided new created account will be activated and ready for use. Without activating, account cannot be logged in.

Agra University Grievance Redressal Portal

Released on 01-July-2019

Salient Features of the Grievance Redressal Portal

On-Line Grievance Redressal Portal has been developed to provide time bound speedy solution to grievances of University campus students and affiliated colleges. This will serve as a boon not only to students and colleges but also to University administration.

Students/colleges would be aided by being directly in touch with University authorities and administration would be able to resolve problems in a better way and find means of improvement in work flow through reports and feedback.

The salient features of the portal are:

- Online submission of grievance which directly reaches the related department.
- Students as well as affiliated colleges can lodge their grievances.
- Time bound and quick solution to a grievance.
- Tracking progress of work being done on a grievance by candidate as well as University authorities.
- Identification of major reported type of grievance to aid University management.
- Secure one to one communication between complainant and authorities.
- Report generation regarding pending grievances and resolved grievances.
