Built Environment with Ramps / Lifts for Easy Access to Classrooms

The University is dedicated to providing a barrier-free environment that ensures safe and independent access for individuals with disabilities to all facilities. Our University installed ramps in all buildings and lifts in taller structures, underscoring our commitment to accessibility. The washrooms for disabled persons are provided separately almost in all the campus. This ensures a comprehensive and inclusive teaching and learning environment for divyangjan.

**Sub: Financial Assistance to Visually-Disabled Teachers-
regarding.**

Dear Madam/Sir,

As you are aware that UGC has extended the scheme of Financial Assistance to Visually-Disabled Teachers up to 31.03.2024. The Scheme has been formulated to help visually challenged permanent teachers to pursue teaching and research with the help of a Reader and by using teaching and learning aids by way of providing Reader's Allowance and funds for the purchase of braille books, recorded materials, etc. and help such teachers achieve self-dependence by using various aids for teaching, learning and research activities.

You are, therefore, requested to kindly send the application along with relevant documents as per the 12th plan Guidelines through your University/College to take further necessary action in this regard.

With regards,

Yours sincerely,
Signed by
Gurmit Chand Badhwar
