### **Syllabus Developed By:**

S.No.	Name	Designation	Department	College/University
01	Dr. J. A. Siddiqui	Coordinator/Head	Library & Information Science	CCS University, Meerut
02	Dr. Naushad Ali PM	Professor	Library & Information Science	AMU, Aligarh
03	Dr. Shiva Kanaujia	Dy. Librarian	Dr. B. R. Ambedkar Library	Jawaharlal Nehru University, New Delhi
04	Dr. Devendra Kumar	Assistant Professor	College Library	Ramabai Ambedkar Government Degree
04	Di. Devendra Kumai	(Library Science)	College Library	College, Gajraula, Amroha

### **Program Outcome**

Bachelor's degree in Library and Information Science aims to:

- Train students in modern library administration and prepare them for careers in Academic,
   Public and Special Libraries.
- Impart education and training for generating budding library professionals in the p[resent scenario of information age.
- Develop manpower for libraries and information centres for effective and efficient services,
   professional values, dedication and attitude.
- To equip students with competent skills essentially required for carrying out various housekeeping operations of library and Information Centers using ICT.
- To develop LIS students as competent professionals in the field by imparting employability skill based on effective communication, critical thinking, and ethical literacy.
- Enable to become lifelong learners for their personal growth and development.

Programme/Class: Certificate Year: First		t		Semester: First	
	Subject: Library and Information Science				
Cou	Course Code: Course Title: Foundations of Library and Information Science (Theory)				
Course outcomes: After studying this paper, the students shall be able to comprehend the conce				rehend the concept,	
objectives and	d development of	libraries and its im	portance to	the society. Underst	and the professional
ethics of libra	rianship and the f	ive laws of library s	cience with	their implications o	n various services of
the libraries.	Understand the in	nportance of Librar	y legislation	n and features of libr	ary acts. Familiarize
				sociations and Organ	· ·
	Credits: 4			Core Compuls	sory
	Max. Marks: 25	5+75		Min. Passing Ma	rks: 40
	Total No. of Le	ectures-Tutorials-Pra	ctical (in ho	urs per week): L-T-P:	4-0-0
Unit		Topics	No. of Lectures		
	Part I				
I	Contribution of Indian LIS Professionals in the Development of Library Profession: Ranganathan, S. R., Kaula, P.N., Mangla, P.B.  Essentials of Library and Information Science Librarianship as a Profession; User Education; Extension Service; Library Building.				
п	Conceptual Framework and History of Libraries Social foundation of Libraries; History of Libraries; Development of libraries in India, U.S.A. and Britain; Five Laws of Library Science; Types of Libraries.			15	
Ш	Laws Relating to Libraries And Information Centers Library Legislation-Need and essential Features; Library Acts in India; Intellectual Property Right.				
IV	Library Associations Role and contribution of National Organizations such as UGC,
