Minutes of the Academic Committee Meeting of the Department of Foreign Languages of the Institute

A meeting of the Academic Committee of the K.M. Institute of Hindi and Linguistics (Department of Foreign Languages) was convened by the Chairperson, Prof. Pradeep Shridhar on June 15, 2020 from 11:00 am on Zoom Meeting App.

The agenda of the meeting was discussion on and approval of the "Proposal, course structure and draft ordinances for Master of Arts in French, to be started from Session 2020 - 21 at the Department of Hindi, K.M. Institute of Hindi and Linguistics".

The following suggestions were proposed and subsequently approved and passed by the committee -

- Prof. Sushant Kumar Mishra suggested to modify the minimum qualifications to include graduates from any discipline with B2 level from Alliance Française.

The committee accepted the suggestion and it is subsequently included in the ordinances.

- Prof. Sushant Kumar Mishra suggested that FR203 Functional French is not suitable for MA students and must be clearly mentioned that it is only for students from different departments

The committee accepted the suggestion and it is now included in the ordinances.

- Prof. Sushant Kumar Mishra suggested that FR204 can be offered to students both from inside and outside of the Department and it must be clearly mentioned. Additionally, it needs to be taught and students should be allowed to take exams in Hindi, English as well as French and not just English.

The committee accepted his suggestions and subsequent revisions have been made.

- Prof. Sushant Kumar Mishra also suggested to keep the elective courses on hold for now since it is a new program.

The suggestions are now incorporated in the ordinances.

M.A. FRENCH SYLLABUS (C.B.C.S)

For M.A. degree in French, all the students are required to take 8 core elective courses, 4 specialized elective courses, and 4 minor electives offered within or outside the Department with permission of the Department Counselor.

For the minor electives, which require prior knowledge of French, the department reserves the right to test the knowledge of French for the students of other departments who want to offer the minor electives in the Department. They will be allowed to offer the courses only if their knowledge of French is found to be adequate.

There are minor electives open for the students of other Departments of the Faculty but they will be offered only if the concerned teacher agrees to give the course in that particular semester. The concerned teacher will decide the number of students to be allowed to take that course in a particular semester.

Topics of Research Seminar and detailed teaching schedules with required readings shall be announced by the respective teacher(s) before the start of each semester.

All courses are currently of 5 credits each and carry 100 marks (70 for main examination and 30 for Internal Assessment) unless otherwise mentioned.

The nature of grading system shall be adopted in accordance with the general guidelines to be decided by the faculty. A total of 80 credits are required to obtain M.A. degree.

Note: Courses marked with * are core courses. Courses marked with ** are specialization courses.

All other courses are minor electives and may be opted by students from other Departments.

Some of the courses may be offered subject to the availability of teachers. The sequence of the courses may accordingly change each semester.
