Minutes of Board of Study on 26/04/2022

Minutes of the meeting of Board of Study of Institute of Home Science held on 26 April 2022 at 12 pm, Institute of Home Science, Khandari, Agra

The following members were present in the meeting

1. Prof. Achla Gakkhar Dean & Director, IHS, Agra (Member)
2. Dr. Archana Singh Associate Professor, IHS, Agra (Member)
3. Dr. Sanghmitra Gautam Assistant Professor, IHS, Agra (Member)
4. Dr. Saleem Javed Assistant Professor, IHS, Agra (Member)
5. Professor Archana Kapoor Rctd. Dean, Emeritus Prof, DEI, Agra (Expert)
6. Dr. Nitu Singh (Subject Expert) Associate Prof. & HOD Home Science, Hemvati Nandan Bahuguna Govt PG College Naini Prayagraj (Expert)
7. Dr. Madhulika Gautam, (Subject Expert) Associate Professor, DEI, Agra (Expert)
8. Dr. Richa Verma (Subject Expert) Assistant Professor, DEI, Agra (Expert)

Meeting started with welcoming of the members by the Director. The following issues were considered and discussed in the meeting as per the recommendations of Academic Committee of Institute of Home Science held on 19/04/2022. The Board confirmed the following issues.

1. Board suggested not to introduce B.A Home Science program as Institute is already offering a valuable degree of B.Sc. Home Science with same eligibility criteria for admission similar course structure with low fee.
In addition to this 50% of B.Sc. Home science seats are lying vacant in since few years, so instead of starting a new bachelor's degree with similar course, focus should be on filling up the seats of existing bachelor's degree (B. Sc. Home Science).
~~However, the authorities may consider it launching of BA course in self finance view of its self sustainability.~~
2. Board recommended to start with M.A Home Science (under self finance scheme) from next coming session, i.e 2022-2023 with minimum eligibility criteria of 50% for general/OBC and 45% for SC/ST categories. At graduation level candidates having Home Science as one of the subjects will be eligible to take admission in the M.A. Home Science in the Institute. Fee structure is enclosed. Number of seats are 50. The course will not run if the candidates are less than 20.
3. Board revised the syllabus of M.Sc. Home Science (General, Group A, B, & E) as per the norms of NEP 2020.

Course Curriculum (Syllabus)
(Onwards 2022-2023)

Ordinance, Regulations and Syllabus for B.A.Y. (CBCS)

Preamble

The tradition of Yoga has always been passed on individually from teacher to student through oral teaching and practical demonstration. The formal techniques that are now known as Yoga are, therefore, based on the collective experiences of many individuals over many thousands of years. The particular manner in which the techniques are taught and practiced

today depends on the approach passed down in the line of teachers supporting the individual practitioner. Yoga is essentially a spiritual discipline based on an extremely subtle science, which focuses on establishing harmony between mind, body; thought and action; restraint and fulfillment; harmony between man and nature and a holistic approach to health and wellbeing.

Yoga is not about exercise but to discover the sense of oneness with ourselves, the world and Nature. It is an art and science for healthy living. The word "Yoga" is derived from the Sanskrit root 'yuj' meaning "to join", "to yoke" or "to unite". Therefore the aim of yoga is to unite the individual consciousness with the supreme consciousness. Yoga is a science and art of living; also it is a body of techniques that lead us to consciously connect with ourselves and with life, the experience of yoga. As yoga is an art and science, there is no dogma or belief system attached to it. Yoga tells us to do a certain practice and feel their effects following the practice, e.g. if we breath slowly in a relaxed manner we will slow our heart rate; if we focus the mind we will develop mental peace and deep insight.

In addition to this, Yoga is becoming popular day by day and has become a wave which is sweeping across the globe. In this course we introduce yoga as a science of **Holistic Living** and not merely as yoga postures. During the course the student is taught the concepts of Yoga for the treatment and prevention of various psychosomatic ailments. This course looks at training the enthusiasts to become Yoga therapist so that they could teach yoga under the supervision of a doctor for health and healing.

1. Title of the Programme

The programme shall be called "Bachelor of Arts in Yoga" (B.A. Yoga) To make the people aware of the therapeutic and preventive value of Yoga.

- I. To bring peace and harmony in the society at large by introducing the Yogic way of life.
- II. To create therapists of high caliber to make the society free from stress and lifestyle related diseases.

2. For the B.A.Y. Degree : The candidates shall have subsequently undergone the prescribed course of study in the university department or a college affiliated to his University for a period of not less than two academic years, passed the examinations prescribed and fulfilled such conditions as have been prescribed there for B.A. Yoga

3. Duration:

The B.A. Yoga program shall be of duration of three academic years, that is, six semesters. However, the students shall be permitted to complete the program requirements within a maximum of five years from the date of admission.

4. The CBCS System:

Registrar
Dr. B.A. University, Agartala

All Programs shall run on Choice Based Credit System (CBCS). It is an instructional package developed to suit the need of students, to keep pace with the developments in higher education and the quality assurance expected of it in the light of liberalization and globalization in higher education.

5. Courses of Program:

The B.A. Yoga Program consists of a number of courses, the term 'Course' applied to indicate a logical part of subject matter of the Program and is invariably equivalent to the subject matter of a "paper" in the conventional sense. The following are the various categories of courses suggested for the B.A. Yoga Program.

6. Semesters:

An academic year is divided in to two semesters, each semester will consist of 17-20 weeks of academic work equivalent to 100 actual teaching days excluding examination days. The odd semester may be scheduled from June/July to December/January and even semester from December/January to June/July. The institution shall work for a minimum of 36 working hours in a week (five or six days a week).

7. Working Day:

There shall be at least 200 working days per year exclusive of admission and examination processes etc.

8. Credits:

The term 'Credit' refers to a unity by which the program is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (lecture or tutorial) or one and half/ two hours of practical work/field work per week. The term 'Credit' refers to the weight given to a course. Usually in relation to the instructional hours assigned to it. The total minimum credits, required for completing a M.P.E.S. Program is 90 credits and for each semester 20 credits.

9. Examinations:

- i. There shall be examinations at the end of each semester, for first semester in the month of December/January: for second semester in the month of May/June. A Candidate who does not pass the examination in any Subjects shall be permitted to appear in such failed subjects in the subsequent examinations to be held in November/December or May/June.
- ii. A candidate should get enrolled/registered for the first semester examination. If enrollment/registration is not possible owing to shortage of attendance beyond condition limit/rules prescribed OR belated joining OR on medical grounds, such candidates are not permitted to proceed to the next semester. Such candidates shall redo the semester in the subsequent term of the semester as a regular student; however, a student of first semester shall be admitted in the second semester, if he/she have successfully kept the term in first semester.

10. Conditions:

Student must have 75% of attendance in each course for appearing the examination. Students who have 74% to 65% of attendance shall apply for condition in the prescribed form with the prescribed fee. Students who have 64% to 50% of attendance shall apply for condition in prescribed form with the

Minutes of the Academic Committee Meeting of the Department of Foreign Languages of the Institute

A meeting of the Academic Committee of the K.M. Institute of Hindi and Linguistics (Department of Foreign Languages) was convened by the Chairperson, Prof. Pradeep Shridhar on June 15, 2020 from 11:00 am on Zoom Meeting App.

The agenda of the meeting was discussion on and approval of the "Proposal, course structure and draft ordinances for Master of Arts in French, to be started from Session 2020 - 21 at the Department of Hindi, K.M. Institute of Hindi and Linguistics".

The following suggestions were proposed and subsequently approved and passed by the committee -

- Prof. Sushant Kumar Mishra suggested to modify the minimum qualifications to include graduates from any discipline with B2 level from Alliance Française.

The committee accepted the suggestion and it is subsequently included in the ordinances.

- Prof. Sushant Kumar Mishra suggested that FR203 Functional French is not suitable for MA students and must be clearly mentioned that it is only for students from different departments

The committee accepted the suggestion and it is now included in the ordinances.

- Prof. Sushant Kumar Mishra suggested that FR204 can be offered to students both from inside and outside of the Department and it must be clearly mentioned. Additionally, it needs to be taught and students should be allowed to take exams in Hindi, English as well as French and not just English.

The committee accepted his suggestions and subsequent revisions have been made.

- Prof. Sushant Kumar Mishra also suggested to keep the elective courses on hold for now since it is a new program.

The suggestions are now incorporated in the ordinances.

**CHOICE BASED CREDIT SYSTEM (CBCS) ORDINANCE GOVERNING THE DEGREE OF BACHELOR OF
ENGINEERING (B.E.)**

CHOICE BASED CREDIT SYSTEM (CBCS):

The choice based credit system provides flexibility in designing curriculum and assigning credits based on the course content and hour of teaching. The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective and open elective courses. The CBCS provides a cafeteria type approach in which the students can take courses of their choice, learn at their own place, undergo additional courses and can acquire more than the required credits. The courses will be evaluated on the grading system, which is considered to be better than the conventional marks system. It is necessary to introduce the grading system to make the uniformity among all technical institutions of India. This will benefit the students to move across institutions within India to begin with and across countries. The uniform grading system will also enable potential employers in assessing the performance of the candidates. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the AICTE has formulated the guidelines to be followed.

DEFINITIONS OF KEY WORDS:

- (i) University: Dr. Bhimrao Aambedkar University, Agra - 282002.
- (ii) Academic Year: Two consecutive semesters (one odd + one even) constitute one academic year.
- (iii) Semester: Each semester will consist of 15-18 weeks of academic work equivalent to 90 actual teaching days. The odd semester may be scheduled from July to December and even semester from January to June.
- (iv) Choice Based Credit System (CBCS): The CBCS provides choice for students to select from the prescribed courses (*core, elective and Foundation Courses*).
- (v) Credit Based Semester System (CBSS): Under the CBSS, the requirement for awarding a degree or certificate is prescribed in terms of number of credits to be earned by the students.
- (vi) Program: An educational program leading to award of a Bachelor Degree.
- (vii) Course: Usually referred to, as 'papers' is a component of a program. All courses need not carry the same weightage. The courses should define learning objectives and learning outcomes. A course may be designed to comprise lectures/ tutorials/laboratory work/ field work/ outreach activities/ project work/ vocational training/viva/ seminars/ term papers/assignments/ presentations/ self-study etc. or a combination of some of these.

- (viii) Branch: Specialization or discipline of B.E. Degree Program, like Computer Science & Engineering, Electronics & Communication Engineering, Mechanical Engineering, Electrical Engineering and Civil Engineering.
- (ix) Letter Grade: It is an index of the performance of students in a said course. Grades are denoted by letters O, A⁺, A, B⁺, B, C, P, F and AB.
- (x) Grade Point: It is a numerical weightage allotted to each letter grade on a 10-point scale.
- (xi) Credit: A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (lecture or tutorial) or two hours of practical work/field work per week.
- (xii) Credit Point: It is the product of grade point and number of credits for a course.
- (xiii) Semester Grade Point Average (SGPA): It is a measure of academic performance of student(s) in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It will be expressed up to two decimal places.
- (xiv) Cumulative Grade Point Average (CGPA): It is a measure of overall cumulative performance of a student over all semesters. The CGPA is the ratio of total credit points earned by a student in various courses in all semesters and the sum of the total credits of all courses in all the semesters. It is expressed up to two decimal places.
- (xv) First Attempt: If a student has completed all the formalities and becomes eligible to attend the examinations and has attended at least one subject of passing, such attempt (first sitting) shall be considered as first attempt.
- (xvi) Transcript or Grade Card or Certificate: Based on the grades earned, a grade sheet/certificate shall be issued to all the registered students at the end of every academic year. The grade sheet/certificate will display the course details (code, title, number of credits, grade secured) along with SGPA of both semesters and CGPA earned till that academic year.

The CBCS provides choice for students to select courses from the prescribed courses for the B.E. Degree Curriculum
