

# 1 NO POVERTY

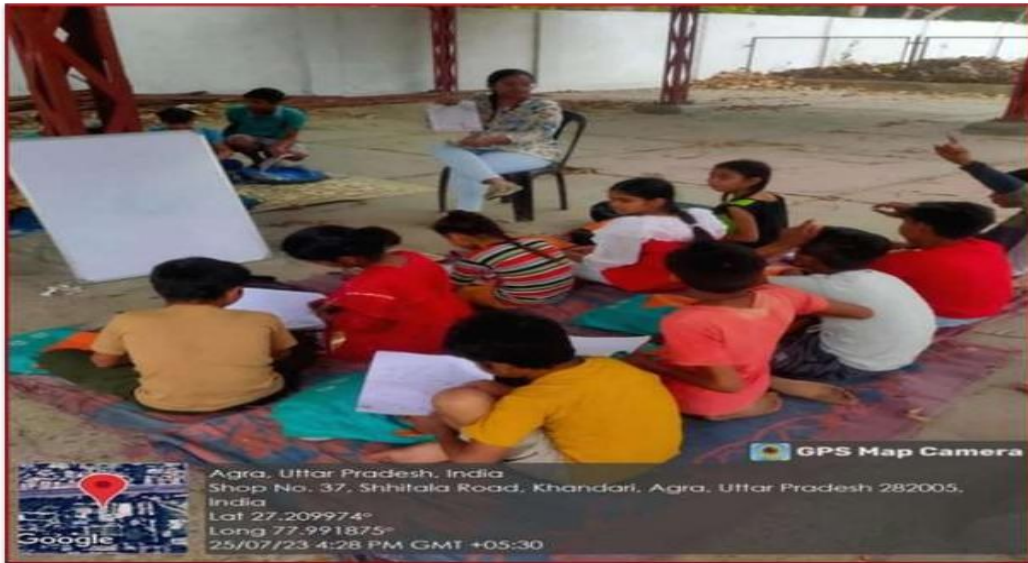

**Sustainable Development Goal 1 (SDG 1), “No Poverty,” aims to eradicate poverty in all its forms and dimensions by 2030. As one of the world's most pressing challenges, poverty alleviation focuses on improving economic well-being, access to education, healthcare, and essential services for vulnerable populations. University has made significant strides in aligning its institutional efforts with SDG 1, fostering social and economic inclusion through various initiatives, programs, and partnerships.**

**Bapu Bazar For Community Welfare and Empowerment**

Students of IET (Institute of Engineering and Technology) are actively involved in a voluntary educational initiative known as the "Vivekanand Academy. This student-driven endeavor is specifically designed to cater to the educational needs of children from the weaker sections residing in nearby slum areas. Motivated by a sense of social responsibility and compassion, the students have taken it upon themselves to organize and participate in this program.

Students of IET are engaged in the educating activity voluntarily in the program “Vivekanand Academy”. The program is designed and opted by the students only
