

15 LIFE ON LAND

Sustainable Development Goal 15 focuses on "Life on Land" and aims to protect, restore, and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land degradation and biodiversity loss.

Plantation in Paliwal campus was carried out by Vice-Chancellor Prof. Ashok Mittal, Registrar Anjani Mishra, along with Prof. B.D. Shukla and Prof. Lavkush Mishra.

'Panchvati' Vatika at Khandari Campus

Students are cultivating a variety of vegetative plants and herbs in the kitchen garden

Students and faculty members are planting trees to mark the occasion of World Environment Day

Reforestation efforts of Students by making Seedballs to Save Environment

The university has organized Yuvotsava Mahotsav, a vibrant festival dedicated to celebrating the spirit and talents of its students. Through a series of engaging activities and cultural events, students showcased their creativity, enthusiasm, and diverse talents, fostering a sense of unity and pride within the university community.
