-and-

The **Pangasinan State University**, a prestigious institution duly established and operating under the laws of the Republic of the Philippines, located at Alvear St., Poblacion, Lingayen, Pangasinan, represented herein by its University President, **DR. ELBERT M. GALAS**, herein referred to as "**PSU**".

The parties having discussed fields of common research interests in allied academic activities, like, research, literature development as well collection between the two institutions have decided to enter into long-term collaboration for promotion of quality graduate and postgraduate research in cutting edge areas of Science, Engineering, Management, Technology, Agriculture & Aquaculture and other academic activities.

OBJECTIVES OF THE AGREEMENT

The objectives of the MoU will include programs offered at either party which are felt to be desirable and feasible for the development and strengthening of expertise in the various fields to expand the opportunities in the research, besides the development of human resources to face the future challenges & the cooperative relationships between the two institutions.

It also includes the exchange of ideas on research publications, academic programs and research projects and promotion of technology.

Such programs may include any or all of the following activities:

- I. Encouragement of study by qualified students, both graduate and undergraduate, of each party of order;
- II. Exchange of faculty, students and researchers;
- III. Promotion of collaborative research in areas of mutual interest;
- IV. Development and enhancement of academic and training programs;
- V. Participate in and co-organize academic meetings, international conferences, seminars, workshops, and symposia;
- VI. Engage in joint research endeavors, leading to shared publications and other scholarly outputs; and
- VII. Any other areas which the parties agree are in their mutual interest.

ARTICLE 1: Scope, Goals and Forms of Cooperation

The signing institutes agree to provide opportunity as appropriate for the following activities towards the completion of the objectives of this MOU:

- I. Exchange of ideas with the objective of offering course and realizing research projects in areas mutually agreed upon by both parties through prior invitation and in accordance with the procedures and expectations established by each institute and specific department.
- II. Operational details of research effort and collaboration will be made in common research programs and/or projects restricted to specific mandated domain within the approved disciplines divisions.
