ABOUT THE WORKSHOP

The Two Days International Workshop on "Artificial Intelligence Tools for Writing & Publishing Research Articles" (26–27 February 2026) is an academic programme jointly organized by the Social Development Federation, Agra, and Dr. Bhimrao Ambedkar University, Agra (U.P.). It aims to enhance research writing, publishing skills, and scholarly communication through the effective use of AI and digital tools. Designed for researchers, faculty members, research scholars, postgraduate students, editors, and academic professionals, the workshop offers theoretical insights and practical training on research article structure, systematic literature review (PRISMA), data collection and analysis, academic integrity, AI-assisted writing, citation management, and strategies to improve the visibility and impact of research. The programme integrates traditional academic rigor with modern AI-based practices to promote high-quality, ethical, and globally visible research publications.

ABOUT THE DR. BHIMRAO AMBEDKAR UNIVERSITY, AGRA, UTTAR PRADESH

Dr. Bhimrao Ambedkar University, Agra (formerly Agra University), established in 1927, is one of the oldest and most prestigious universities in North India. In addition to its main campus at Paliwal Park, it has three other sprawling campuses: the Swami Vivekananda Campus in Khandari, the Sanskriti Bhawan Campus in Civil Lines, and the Netaji Subhash Chandra Bose Campus in Chhalesar. Accredited with an NAAC A+ grade, the university boasts a rich legacy of academic excellence, research, and social contribution. Inspired by the motto "Tamaso Ma Jyotir Gamaya" – Lead me from darkness to light – its vision is to develop knowledgeable, skilled, and ethically strong individuals who can serve society and contribute to national development. The university's mission is to provide quality education, foster innovation, encourage research, and promote community engagement. The main library of this vast and prestigious university, the S. R. Ranganathan Central Library, is located on the Paliwal Park campus. Three branch libraries – the Ambedkar Library at the Swami Vivekananda Campus in Khandari, the Sanskriti Bhawan Library in Civil Lines, and the Abdul Kalam Library at the Netaji Subhash Chandra Bose Campus in Chhalesar – provide comprehensive access to printed and electronic information resources and all other relevant facilities for the university's library users.

ABOUT THE SOCIAL DEVELOPMENT FEDERATION (SDF), AGRA

The Social Development Federation (SDF) is a non-government, non-profit organization based in Agra, Uttar Pradesh, India. It is dedicated to social development through initiatives in education, healthcare awareness, library services, psychological counseling, and advocacy for youth, women, and marginalized communities. SDF promotes emerging global knowledge and regularly organizes webinars, talks, seminars, and workshops across diverse fields. It has also published numerous works in areas such as religion, digital transformation, information science, computer science, and social sciences. During the COVID-19 pandemic, SDF provided both online and offline counseling and conducted awareness programs on health, education, human rights, cyber security, and digital literacy to support communities worldwide.
